Cosponsored by:

American Bar Foundation

The American Bar Foundation (ABF) is the world's leading research institute for the empirical and interdisciplinary study of law. The ABF seeks to expand knowledge and advance justice through innovative, interdisciplinary, and rigorous empirical research on law, legal processes, and legal institutions. To further this mission the ABF will produce timely, cutting-edge research of the highest quality to inform and guide the legal profession, the academy, and society in the United States and internationally. The ABF's primary funding is provided by the American Bar Endowment and the Fellows of the American Bar Foundation.

Civil Justice Research Initiative

The Civil Justice Research Initiative at UC Berkeley School of Law explores, through interdisciplinary, academically based and independent research, how the civil justice system can be made more available to everyone seeking relief.
